

This is a license agreement (Agreement) between you, the end user (Licensee), and IFER - Monitoring and Mapping Solutions, Ltd (IFER-MMS). Before installation of the software, you should carefully read the following terms and conditions. If you do not agree with these terms and conditions, then IFER-MMS is unwilling to license the software, data, and related materials to you, in which event you should return the media, documentation, registration form and other components to IFER-MMS for a refund. No refund will be given if the media package seal is broken or there are any missing components.

IFER-MMS in this license agreement gives Licensee limited rights to use the proprietary IFER-MMS software, software updates, sample data, on-line and/or hardcopy documentation and user guides, software keycode and/or hardware key, as applicable. All rights not specifically granted in this Agreement are reserved to IFER-MMS.

IFER-MMS retains exclusive rights for the title and ownership of the copy of software and related material licensed under this Agreement. Hereby, IFER-MMS grants to Licensee personal, nonexclusive, non-transferable license to use software and related material based on the terms and conditions of this Agreement. From the date of receipt, Licensee agrees to use reasonable effort to protect the software, data and related materials from unauthorized use, distribution, publication or reproduction.

In case of destroying software license code caused by change of configuration or other modifications of computer IFER-MMS is willing to new license to you only on the condition of a compensation payment and only once during the term of this License.

GRANT OF LICENSE

- * Licensee may install and use the software and related material on the computer system(s) and /or specific computer network(s) for Licensee's own personal or internal purposes in such number of copies that correspond to the number and types of paid license or update fees.
- * If the software and related material is delivered on several media types (e.g., CD-ROM and diskettes), Licensee is granted to use only one set of these media, and the other may not be used on other computer or computer network, be lent, leased sold or given to any third party.
- * Licensee may make routine computer backups but only one (1) copy of the software, data, and related materials for archival purposes during the term of this Agreement, unless the right to make additional copies is granted to Licensee in writing by IFER-MMS.
- * Licensee may use, copy, alter, modify, merge, reproduce, and /or create derivative works from the on-line documentation for Licensee's own internal use on the condition of preserving the copyright and ownership rights of IFER-MMS. Inseparable portion of the licensed software is "MapObjects" software that is owned by ESRI, Copyright ©1998-2007 Environmental Systems Research Institute, Inc. All Right Reserved. The "MapObjects" software, the intellectual property of ESRI, was deployed in the software of IFER-MMS with the permission of ESRI. Herewith, Licensee is obliged to include the following statement of copyright and ownership rights explaining the copyright and ownership rights of ESRI and IFER-MMS in any use of documentation material: "Portions of this document are intellectual property of ESRI and IFER-MMS and were used with their agreement.
